

This course, containing English, General Knowledge, Reasoning, Current Affairs etc., is the result of hard and meticulous labour of years. It touches almost each & every sphere of knowledge.

Since the medium of this course is English, we have tried to explain everything in simple & explicit manner so that a person having a little knowledge of English may easily understand it.

It is divided in 8 modules followed by several Test Series. It makes students ready for the Entrance Exam and relieves them from their stress in a psychological manner.

This course develops the mind of students in three phases i.e. (cognitive, affective, psychomotor) so this is the best course for the aspirants of JNU Entrance Exams.
